ANNOUNCEMENT

Each year the Regional Shorthorn Show and Sale held at Jamestown, N. Dak., has grown in size, territory that it reaches, and in public popularity. The consignors of cattle to this year's event, who are from North Dakota and Minnesota, have again reserved their very finest productions to further cement the prestige that this annual sale enjoys.

These cattle have been screened by inspections made by various competent Shorthorn men who are interested in the welfare of the Shorthorn breed, and the continued success of the Regional Shorthorn Sale, and feel that the consignments will prove to be one of the top offerings ever offered at any consignment sale in the Northwest. Numerous animals listed have been shown throughout the Northwest the past year, and have given a very good account of themselves.

There are numerous top herd bull prospects, as well as desirable commercial and farmer bulls being offered. Regardless of what your bull needs might be you can find it in this sale!

The female offering, while not large, are equally as desirable as the bull offering. Herd replacements or foundation females will be found here. Many of them are carrying the services of some of the top young herd bulls in the nation.

Cattle that have been previously sold at Jamestown have gone on and done a grand job for their purchasers. The cattle that are listed in this sale will do the same—there is no better place to buy Shorthorns than in the Jamestown Regional Sale on Monday, October 13, 1952.

SHOW

This year we are proud to announce that the Lieutenant-Governor of North Dakota, our highly respected Ray Schnell, of Dickinson, will place these consignments which will establish the selling order of the animals listed. We feel very fortunate in having Ray Schnell make these official placings. The show will commence promptly at 9:00 A. M. on Monday morning—the day of the sale.

TERMS AND CONDITIONS

The Sale will start at 1 p. m., Monday, October 13.

TERMS: All sales are cash or according to arrangements made between the buyer and seller. Settlement must be made with the clerk immediately after the sale. All cattle will be at the buyer's risk as soon as sold but assistance will be given in loading, in compliance with buyer's instructions.

REGISTRATION CERTIFICATES: A registration certificate and transfer certificate will be furnished with each animal, and an application for registry will be furnished with each calf sold at foot or in dam. Breeding dates in the catalog are furnished by the consignor.

GUARANTEE: Health certificates will be furnished with each animal. All cattle are sold subject to a sixty-day retest for tuberculosis. Bulls are guaranteed to breed if properly cared for and not allowed to run with the herd. If a bull fails to breed he may be returned to the seller if in as good condition as when bought, and if after three months' trial he fails to breed, the animal will be replaced with one of equal value or the money will be refunded. Cows with calves at side are considered breeders and no further guarantee is given. All other cows and heifers over fifteen months at the time of sale are guaranteed to be breeders. Animals which are returned to breeders because they fail to meet the guarantee statement will be at the buyer's cost of transportation. It is understood the guarantee of the cattle consigned to this sale constitute a contract between the consignor and the purchaser of each lot. Any claim for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale. The sales committee does not assume any responsibilities in these matters.

MAIL BIDS: Mail bids may be sent to representatives of the Shorthorn World; American Shorthorn Breeders Ass'n., Jack Halsey, Auctioneer; Members of the sales committee; or to Gilbert Elken, Jr., Sales Manager. Bids sent will be handled confidentially and conservatively in the interest of the bidder, if unable to attend. Any bids should be sent to the above parties in care of the Gladstone Hotel, Jamestown, N. Dak., sale headquarters.

CLERK OF SALE: National Bank of Jamestown and the James River National Bank.

AUCTIONEER: Col. Jack Halsey, Des Moines, Iowa, and assisted in the ring by representatives of The Shorthorn World and the American Shorthorn Breeders Association, and other fieldmen along with Lt. Gov. Ray Schnell of Dickinson and Gay Lovas of Mayville as ring-men.

We think Account is a very good roan 2 year old bull. This bull has been shown and has always done well. He was a member of the first prize pair of calves at the 1951 Winter Show. He is very smooth, good heavy bone with a great hind quarter. We have used this bull on some of our best cows. Sired by Millhills Fantasy, a dark roan, good headed, heavy bone bull that is as rugged as they come, and out of a beautiful red cow by Eldak Air Conqueror, who is a solid red son of Bapton Royal Leader and out of Bapton Augusta 23rd, the best cow in the Eldak herd, and her dam is one of the foundation Missie cows we secured from Fred Lee who has done us a lot of good and is still breeding at 16 years of age. The very best of breeding is wrapped up here. This bull will solve your problems!

Prescription was shown only once and that was at the Red River Valley Fair at Fargo. In one of the largest classes of the show he placed first. A wonderful bull, great hind quarters. Sired by Millhills Fantasy whose calves are attracting much favorable comments from all visitors having the substance, scale, bone and quality we are all looking for. One visitor from Florida called our group of sale bulls one of the best bunches he had seen all year. We think this bull a very worthy representative of the breed and know he will suit. His dam traces back to one of the most famous Short-horn cows that was ever in the Northwest—the Naemoor Stella cow that E. D. Grant paid \$5600 for and was worth every cent of it. R. G. Heine of Florida recently purchased 4 bulls from us for shipment to Florida and was very complimentary about Fantasy's calves—selecting three sons.

This typy dark red roan, daughter of our Millhills Fantasy and out of a Bapton Royal Leader dam, is the kind we all like. She is thick, smooth, good headed with lots of bone. Her grand dam was the top female in a Williams Bros. sale—a beautiful cow. This heifer is vaccinated and will sell bred to our sensational young bull, Eldak Campeon Max by Killearn Clipper Max who was first prize bull calf at Fargo and member of the first prize pair of calves. Noted judges rate him as one of the greatest calves in America. We think so too and are breeding our very best to him. He will be shown at the 1953 Futurity Show at Valley City where we think he will give a good account of himself. The calf this heifer is carrying could easily pay the entire cost.
